# HOUSING NEW MEXICO

---

The New Mexico Mortgage Finance Authority is committed to its mission of providing quality affordable housing opportunities to all New Mexicans. That's why we were created by the state legislature in 1975, and that's what we work to accomplish every day.

MFA provides funding and oversight for more than 20 programs at no cost to the state of New Mexico. Using funding from housing bonds, tax credits and other federal and state agencies, our programs provide down payment assistance, emergency shelter, rehabilitation for aging homes, affordable rental construction and rental assistance and subsidies.

But it's MFA's partners who deliver these important services to the people of New Mexico. The lenders, real estate agents, nonprofit service providers, affordable property owners and managers, developers and staff from the local and tribal governments that we work with on a daily basis are the people who turn MFA's mission into a reality.

In the pages of this book, you will learn about our partners and discover how they can help you find safe, stable housing. They are committed to helping you find the best housing possible for you and your family.

Please visit our website at [housingnm.org](http://housingnm.org) for complete information about MFA and its programs. You can also download an electronic version of this directory from the website.

**We're MFA. And we are Housing New Mexico.**

# INSIDE THIS HOUSING DIRECTORY

---

## SECTION ONE: OWN A HOME

MFA-approved lenders provide affordable mortgage loans for homebuyers with low and moderate incomes. Down payment and closing cost assistance are also available for qualified first-time homebuyers and for current homeowners who are ready to purchase their next home. Find a qualified lender in the first section of this directory or at [housingnm.org/homebuyers](http://housingnm.org/homebuyers).

## SECTION TWO: FIND HOUSING

### Emergency Shelter and Homelessness Assistance

Almost 100 nonprofit organizations across New Mexico use funding from MFA to provide emergency shelter and essential services to individuals who are experiencing homelessness. Some organizations offer rental deposits and help with utility bills for families who are at risk of becoming homeless. Organizations are listed by location and type of services provided.

### Special Needs Housing

Housing is available for people with HIV/AIDS or for individuals with mental or physical disabilities. Look for the “Specialized Housing” icon in section two.

## SECTION TWO: IMPROVE A HOME

### NM Energy\$mart

Two MFA service providers install up to \$6,000 in energy-efficiency upgrades in qualifying homes throughout the state.

### House by House Reservation Rehabilitation

Home repairs for low-income homeowners.

## SECTION THREE: RENT A HOME

### Affordable and Subsidized Apartments

Section One

# MFA APPROVED LENDERS

Owning a home is one of the best ways to build financial security, create stability and have a true sense of belonging in a community. But there can be significant hurdles to becoming a homeowner such as saving enough for a down payment, dealing with a poor credit rating or figuring out how much home you can afford.

MFA can help you navigate these hurdles and achieve your dream of homeownership. We offer a variety of programs that provide funds for down payment and closing costs and deliver low interest-rate loans. We can also connect you with organizations that offer credit counseling and help you improve your credit score.

And there's more good news. You can use these programs if you currently own a home and are ready to purchase your next home.

MFA's programs can only be accessed through lenders who have been approved and trained by MFA. Those lenders are listed below and also on our website at [housingnm.org](http://housingnm.org). Contact one of these lenders today to get more information about how you can qualify for an MFA program.

# HOUSING SERVICES PROVIDERS

Agencies Listed Alphabetically

Agencies Listed by Area

MFA partners with not-for-profit organizations throughout the state to provide a variety of housing services that include emergency shelter, utility and rental assistance and home repair. In addition, many of these organizations provide non-housing support services such as substance abuse counseling, case management and other family support programs.

MFA also partners with agencies that provide housing for specialized populations such as the elderly or individuals who are developmentally or physically disabled. Other agencies offer transitional housing for individuals fleeing domestic violence or who are experiencing homelessness.

The housing provider listing below is coded to indicate what services are provided by each organization. At the end of this section, providers are listed by region as well as by the type of services they offer.

If you are unable to find the help you need, please call the MFA office at 1-800-444-6880.

# RENTAL PROPERTIES

Affordable Rental Properties  
Subsidized Rental Properties

*MFA monitors more than 28,000 affordable and subsidized housing units for quality and safety.*

# AFFORDABLE RENTAL PROPERTIES

Apartment homes and rental properties are called “affordable” when residents are required to meet certain income criteria in order to live in the homes and when rental rates are set at or below the average rate for similar properties in the area. Income criteria and rental rate guidelines are updated every year by the federal government for each county in New Mexico.

The affordable properties listed below are owned and managed by a variety of entities that include housing authorities, nonprofit organizations, for-profit companies and private owners. When you call or visit a property, staff will tell you if you meet income criteria and will let you know what their affordable rental rates are.

In addition to income requirements, each property will have additional criteria that must be met by potential residents. Information about the number of persons in the household, credit history, rental history and a background check will be required. Additional qualifying information may be required for specific properties.

*PLEASE NOTE: MFA does not own or manage any affordable rental properties in New Mexico.*

*MFA cannot be involved in the following legal issues: disputes involving third parties; lawsuits involving residents and the owners or management agents; eviction matters; and interpretation of local laws and ordinances.*

*For legal advice concerning these matters, please contact New Mexico Legal Aid at 505.243.7871.*

## Steps to apply for residency at an affordable rental property:

- 1 Call or visit the property.
- 2 Ask about income qualification, rental rates and availability.
- 3 Request and complete an application. Ask if the application will be reviewed right away or if your application will be added to a waiting list.

# THINKING ABOUT BUYING YOUR FIRST HOME?

---

Buying a home makes good financial sense. In addition to providing financial security and creating more spendable income, owning a home you can afford means you will have a safe, stable place to live for many, many years.

Here are some things to consider as you move toward homeownership:

- 1 How much home can I afford?**  
Generally, your monthly house payment should not exceed 30 percent of your gross income, and your debt ratio should not be more than 45 percent of your gross income.
- 2 How much do I need to save for a down payment?**  
Calculating 4 percent of the purchase price will give you a rough estimate of what you'll need. The great news is that MFA has programs for qualified buyers that can cover some or all of your down payment.
- 3 What if my credit isn't perfect?**  
You must have a minimum credit score of 620 in order to use MFA's down payment assistance programs. If you're not quite there yet, one of MFA's housing counseling agencies can help.
- 4 How do I choose a lender?**  
Interview at least two lenders to get a sense of who will be the best fit for you. If you plan to take advantage of MFA's down payment assistance program, you must use an MFA-approved lender.

For more information about MFA's homeownership programs, go to [housingnm.org](http://housingnm.org) or call an MFA homeownership representative at 505-843-6881.

# SUBSIDIZED RENTAL PROPERTIES

---

Apartment homes and rental properties are called “subsidized” when the property owner receives government assistance to help pay a portion of the rent charged. This assistance allows the owner to reduce the monthly cost of the rental. Rental rates for subsidized rentals do not exceed 30 percent of the household’s income after any qualifying adjustments have been made to its total income.

New Mexico’s subsidized properties include rental homes for families, the elderly and individuals with a mental or physical disability. The property listings on the following pages are coded to indicate the type of subsidized rentals each site offers. Listings that are not coded are family properties.

Apartment homes are owned and managed by a variety of entities that include housing authorities, nonprofit organizations, for-profit companies and private owners. When you call or visit a property, staff will explain each type of subsidized rental and will tell you if you meet income criteria.

In addition to income requirements, each property will have additional criteria that must be met by potential residents. Information about the number of persons in the household, credit history, rental history and a background check will be required. Additional qualifying information may be required for specific properties.

# LOCAL HOUSING AUTHORITIES, REGIONAL HOUSING AUTHORITIES AND FEDERAL AGENCIES

Local housing authorities exist to create and maintain affordable housing in communities and pueblos throughout New Mexico. These authorities manage affordable rental housing and rental vouchers, which provide rental subsidies and housing for specialized populations like the elderly or individuals with special needs.

Three regional housing authorities operate in areas of the state that do not have adequate local or municipal housing authorities. Like local housing authorities, regional authorities manage affordable rental housing and rental vouchers. They also create new affordable housing programs in designated areas. Both local and regional housing authorities may provide other services such as homebuyer assistance and counseling, home repair and weatherization services.

Federal agencies like USDA Rural Development and the U.S. Department of Housing and Urban Development (HUD) fund affordable housing throughout the state. They also provide support for local housing authorities.

# HABITAT FOR HUMANITY

---

Habitat for Humanity in New Mexico has 13 affiliate organizations that work with volunteers in communities throughout the state to provide simple, decent homes for low-income families who earn less than 50 percent of the area median income. Over the last 31 years, thousands of volunteers from New Mexico and around the country have contributed more than 2 million volunteer hours to make homeownership a reality for more than 1,112 families in our state.

MFA has partnered with Habitat since 1992. MFA provides zero-interest mortgage loans and down payment assistance to Habitat families.
